VOLUNTARY AMENDMENT/CORRECTION

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

It has come to the attention of the undersigned representative that the claims submitted with an amendment filed 13 January 2003 designated a SEQ. ID NO. inconsistent with the election in response to the Restriction Requirement earlier made. This amendment is submitted in order to correct this error, and also to correct an omission that the undersigned has discovered with regard to the sequence listing supplied along with the 13 January amendment. The proposed amendment conforms the claims to the election previously made and upon which substantive examination was conducted. No further substantive examination has occurred. Applicants appreciate the return telephone message from Supervisory Examiner Brumback that

sd-218949 v1

this amendment will be considered, and that the Examiner to which this case is ultimately assigned will be informed that it is coming.
